

## Certificate of Conformance

15 June, 2020

Dear Valued Customers,

This document is to certify that the new color, balck Interconnector (ICT) part(s) of LG Chem NanoH<sub>2</sub>O™ 8 inch brackish water Reverse Osmosis (RO) membranes will not affect the membrane performance, and membranes meet all product specification, effective from 15<sup>th</sup> June, 2020 onwards.

While integrated with current grey color and new black color one in the same pressure vessel, the performance continues same.

Sincerely,

LG Water Solutions, part of LG Chem, Ltd

Jong-Seok Park, Quality Management Leader
